

Apprentice Radiance Teacher Program

The Master Teacher of Radiance Certification is required IF you wish to **teach The Wisdom Model of Empowerment & Awakening...**or... in any way wish to share the ideas contained in this work with more than 1 person at a time.

Walking The Wisdom WAYTM is a process of becoming the material so that YOU are the message. This is the (W)hole Point of the ART program.

If you wish to become an Apprentice Radiance Teacher, you must complete Levels 1-6 of The Wisdom Way and be a certified CRM.

PLEASE send me a 1-3 page <u>hand written application</u> answering this question: BE sure to cover the "sub points"

Include a Photo of yourself (shoulders up) for the application.

- ▲ In what ways do I feel pulled to be a Teacher of Radiance?
- **♦ Who would I imagine teaching?**
- **▲ How would being a Radiance Teacher serve me?**
- **△** What (w)Holes would I get to bring to the Table? to my students? to the (W)hole Work? As a Teacher of Empowered Radiance?
- **△** How would being a Teacher of WPW, deepen my connection to Self-Most-High?

Blessings to you! I am honored to teach the Teachers!

Love and Blessings, Alaya
